

INSOLITE Red 2023

IGP Cévennes

Tasting notes :

A very original expression of the Cabernet Sauvignon and Cabernet Franc grape varieties for this cuvée. On the nose we find a lovely marriage of red fruits, raspberries, blackcurrants and spices.

On the palate, the texture is fine with a beautiful tension evoking airy and floral scents. The finish is smooth and very dynamic.

Food and wine pairing:

Magnificent with a Sétoise tielle, fried red mullet or beef tataki. Also try as an aperitif with figs and Parma ham.

Service :

Temperature 15 degrees.

Vineyard,terroir and vinification:

A late harvest so as not to come across the vegetal notes of these grape varieties. A long and very delicate maceration to extract only the purity of the fruit, aging in stainless steel vats to preserve this freshness.

Alcohol:: 14.5%

Sulphites: >14mg/l
